

## ON ROTATION

### ORANGE

#### **Fidora 'Amphora' Pinot Grigio**

**12.5**

If this wine were a person, they'd be that friend that seemingly never stops travelling. Who moves to Chile for a year then travels through Laos, Thailand, and Vietnam the next. Won't shut up about it. Adventurous, a wine of duality and complexity.

### WHITE

#### **Vino Lauria Grillo, Italy**

**9**

If this wine were a person, they'd be a lover not a fighter, like to read, love Sauvignon Blanc and love reality TV. Uncomplicated, Summer in a glass.

### COCKTAILS

#### **Industry Sour**

**11**

Fernet Branca / Chartreuse / Lime

#### **Black Manhattan**

**11**

Rye Whisky / Vecchio Del Capo
